

TPMS CO-OPERATIVE HOSPITAL

# TPMS HEALTHCARE

*Trusted Care. Advanced Technology. Human Touch.*

# About Us

TPMS Healthcare is a growing health-care service provider committed to making quality treatment affordable and accessible for every family in India.

Our focus is simple — **advanced medical technology, reliable diagnosis, experienced doctors, and patient-friendly care** at the lowest possible cost.

We aim to bring health services closer to people through digital tools, innovative healthcare systems, and upcoming world-class hospitals

# Vision

To create a healthy nation where every person can receive timely, accurate, and affordable medical care supported by technology, compassion, and trusted medical professionals.

# Mission

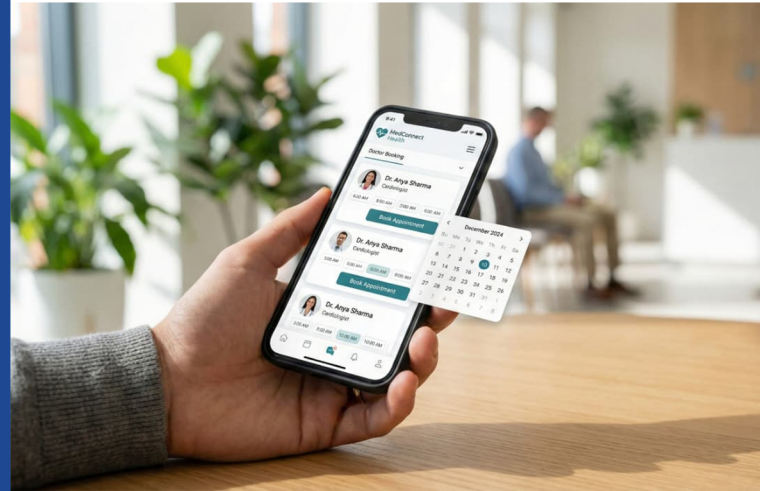

- To provide the most reliable diagnostics and medical services at affordable prices.
- To connect patients with trusted doctors across India through safe digital platforms.
- To build modern hospitals and wellness centers focused on specialized care and long-term wellbeing.
- To combine technology + healthcare to ensure safe, error-free treatment for every individual.

# Our Services

## Techno Park Doctor Booking App

A smart, simple app that allows you to book doctor appointments anywhere in India with just a few clicks.  
Gives access to 1 lakh+ carefully selected doctors  
AI-supported diagnosis to avoid errors  
Quick guidance for fast and safe recovery  
Helps reduce high medical expenses by offering the most suitable and affordable treatments

## Techno Park Lab

A highly advanced and affordable diagnostic lab designed to give accurate and reliable results every time.

- Equipped with high-tech machines
- AI-supported result analysis
- Error-free diagnosis
- Fast reporting at the lowest possible rates

# Techno Park Medical Stores

A patient-friendly pharmacy system offering:

- P-free, high-quality medicines at the best discounts
- One-click prescription scanning
- Automatic pill selection for error-free dispensing
- Door delivery service available across India
- Our goal is to make medicines safe, simple, and affordable for every household.

## Techno Park Member Wellness Care Scheme (TPCS)

Affordable | Safe | Community-Based Healthcare Support

### Objective

To provide financial and medical support to selected and eligible society members, ensuring affordable healthcare, timely treatment, and stress-free access to medicines and hospital services across India.

### Key Benefits

Free Medical Care Support (Up to ₹50,000/year)

Eligible members can receive:

Free doctor consultations

Free diagnostic tests

Free treatment support

Free medicines up to an annual limit of ₹50,000.

This amount can be used at any

TPMS network facilities, labs, clinics, or medical stores

Special Discounts for All Members

All registered society members will receive:

Special discounts in all TPMS-branded hospitals

Reduced rates for lab tests and diagnostics

Discounted medicines from Techno Park medical stores

Lower consultation charges across our doctor network

These benefits are valid throughout our branches across India.

## Eligibility Criteria

- Must be an active member of the society
- Must complete the minimum membership duration (if applicable)
- Selection based on internal screening and need-based assessment
- Priority given to senior citizens, low-income families, and differently-abled individuals

## How the Scheme Works

1. Members apply or are recommended for the scheme.
2. TPMS evaluates eligibility based on predefined criteria.
3. Selected members are added to the Annual Medical Support List.
4. Each selected member gets health credit up to ₹50,000/year.
5. Members can use the credit at all TPMS network services.
6. Discounts are automatically applied for all other members.

## Funding Method

- This scheme is funded through:
  - TPMS annual profit-sharing
  - Contribution from society development programs
  - Healthcare subsidy allocation from TPMS

## Purpose & Impact

- The scheme ensures:
  - Selected member is not denied treatment due to lack of money
  - Affordable and safe wellness care for all society families
  - Strong community health improvement
  - Support for vulnerable and deserving members

## Validity

- This scheme is valid for one year from the date of approval and renewable upon review.

# Our Upcoming Projects

## Techno Park Multi-Speciality Hospital

A modern hospital with special focus on:

**Autism care for children**

**Full-support services for blind and deaf patients**

A complete healing space where every patient receives specialized attention, compassion, and continuous support.

## Ayurvedic Medical College – Thrissur

A traditional wellness-focused Ayurvedic institution featuring:

**A full Ayurvedic medical college**

**Experienced Ayurvedic doctors and traditional vaidyans**

**A wellness hospital promoting natural healing, therapies, and research**

**This center will preserve the heritage of Ayurveda while bringing world-class treatment to the community.**

# Super Speciality Hospital – Angamali

A premium hospital with 100+ rooms, specializing in complete care for senior citizens.

**Dedicated services for people above 60 years**

**Full-time caretakers**

**24x7 medical support**

**Safe, comfortable, homely environment**

**A peaceful healing destination for long-term care and recovery.**

# Mother & Child Care Hospital

A specialized hospital with 100+ rooms focused on maternity and newborn care.

**Natural, healthy, mother-friendly environment**

**Special care from the 5th month of pregnancy till delivery**

**Nutritious, nature-based food**

**Safe and secure medical practices**

**Our aim is to ensure a worry-free, joyful, and healthy motherhood experience.**
